

DONATION INFORMATION

Become a Regular Giver

The Fortitude Valley PCYC now has a regular Donor's Program which allows you to donate on a monthly basis, via direct debit or ezi-debit payments. From as little as \$10 a month you have the opportunity to assist the Fortitude Valley PCYC in a most powerful way and ensure the ongoing viability of our programs and activities for young people.

How much to donate is a personal decision and this amount can be changed at any time. All donations over \$2 are fully tax deductible and the Fortitude Valley PCYC will send you a receipt for taxation purposes by the end of July each year.

By making a donation to the Fortitude Valley PCYC you will be assisting us to deliver cost effective programs and services to young people and families in our area. We will also be able to support disadvantaged and at risk young people by providing free membership and access to our activities and facilities for those less fortunate in the community.

Where we get our funding from.

We are very fortunate that the Queensland Police Service provides funding to deploy a full time police officer to manage and oversee the operations of the Fortitude Valley PCYC. Without this support our Branch would not be able to operate in the community due to the costs associated with administering a branch and continuing to provide a wide range of activities and services for young people and families.

We compete with all other community based organisations for grants and funding to upgrade our branch and equipment. Our major source of funding is through the day to day operations of our branch and the fundraising initiatives of our volunteers.

The Fortitude Valley PCYC is dependant on grateful for the continued support of its donor's, who enable us to maintain and expand its programs throughout the area. The Fortitude Valley PCYC is a registered charitable organisation and a deductible gift recipient. Every donation of \$2 and over is acknowledged with an official receipt and is tax deductible.
